DONOR
ALUMNI

"People tend to shy away from challenges that place them outside of their comfort zones; but it's important to forge ahead in those situations—to expe

Matt Boston

ing brand - to know what you
this are, what you contribute,
your leadership style is, and
effectively, how you interact
with others. You are thrown into
situations that demand at
least as much as a laboratory
experiment represents the
real world of business. You
are working hard to get
things done together
and to feel
a sense of purpose.

Since established in Toronto in 2008, Lusens has become one of the world's leaders in the creation and design of custom interactive experience that combines art with technology.

From our offices in Toronto and through exclusive business partners in more than 40 countries, we design, create, build and support experiences and spaces that are memorable, engage, entertain and inspire audiences.
